

IMAM JAMIL AL-AMIN (FORMERLY KNOWN AS H. RAP BROWN)

UPDATE MARCH-AUGUST 2023

AN UPDATE ON IMAM JAMIL

We haven't consistently heard from Imam Jamil for a few months because the prison had been on lock down due to a murder. When he did manage to call, it was uncertain how long he would have or if he would be able to call again due to the rolling lock downs during the murder investigations and search for the gun. During one of his calls, Imam Jamil expressed his disapproval of groups like Al-Ummah commercially exploiting his image and likeness without permission. It was particularly concerning since Al-Ummah had reportedly broken its Bay'ah to Imam Jamil without informing the public. He signed off on a letter representing his position.

Imam Jamil had called in during the Riyadhah in July in North Carolina. In the call he emphasized that the bedrock of a strong community is in its commitment to Islamic principals. He quoted Umar ibn Khattab, a companion of Prophet Muhammad (Peace and Blessings Be Upon Him), stating, "There is no Islam without community, there is no community without leadership, and there's no leadership without allegiance."

In the limited time available, the Imam left an impactful message for all: adherence to Islamic principles, righteousness, remembrance of the Creator, and good behavior are all determining factors used to take measure of the health and longevity of any community. Just before the Imam's call ended, he made the request of the Imam Jamil Action Network (IJAN) to officially handle the defense fund.

IJAN MUTULU SHAKUR SOLIDARITY STATEMENT

As Salaamu alaikum wa Ramatullahi wa Barakatahu!

Imam Jamil Al-Amin and the members of the Imam Jamil Action Network (IJAN) offer our condolences to our fallen Comrade, Doctor and Champion for change, Father, Grandfather, and Healer of those cast away and lost to drugs, those he revived through his teachings and use of acupuncture. He restored many back to health. An Activist, Revolutionary, and member for change of the Black Liberation Movement.

A Soldier who stood for change. A change that came at a price, for while supporting and standing up with other Liberation fighters he was incarcerated and released after 37 years with failing health.

We the members of the IMAM Jamil Action Network (IJAN) salute our Brother and all Political Prisoners. May he live through those he touched and restored, his students of Acupuncture and all those who knew this wonderful, and gifted light. We will be ever blessed to have known our Brother Mr. Doctor Mutulu Shukur.

From Allah (Subhanaah wa ta') we are gifted life and to HIM is our return. Insha Allah May his grave be spacious, May his sins be forgiven and may he be granted Jannaah and may our dua's shower him...Ameen!
