GENERAL UPDATE The unofficial, and very unconstitutional gag order on Imam Jamil continues. He is currently allowed a single five-minute call per day. He walks with a cane now. Imam Jamil reminds the public to support Rashida Tlaib. He has publicly supported the congresswoman after she was censored by the House of Representatives for her statements on Palestine. The Innocence Project has taken on Imam's case. IJAN will work closely with the Innocence Project.

FEB. 10 Federal Bureau of Prisons had been on lock down for 40 days due to events in Palestine. The lock down was lifted around Feb 10, 2024. Imam Jamil now gets one call a day for five Minutes.

MAR. 7 LETTER TO RASHIDA TLAIB ON ABORTION
Salam Alaikum wa Rahmatullahi wa Baraktuh,

Following up on the letter of support sent on December 23, 2023, Imam Jamil Al-Amin maintains his call for us to support you, Rep. Rashida Tlaib, after the censoring you endured for speaking out on the ongoing tragedy in Palestine. You have the support of the Imam and the Imam Jamil Action Network.

As we watch the extermination taking place in Gaza, many of the victims being children, we also see discussion in America regarding "extreme anti-abortion" policies. The overturning of Roe v. Wade is often brought up. The overturning of this ruling is no more oppressive than what has already been inflicted and continues to be inflicted upon humanity, domestically and abroad. From Margaret Sanger, with her planned parenthood and abortion clinics, to the Kissinger Report, the chickens are coming home to roost after over a hundred years of social engineering and attempts to control the global population of darker skinned peoples in devilish schemes that use eugenics and population control to keep power and turn a profit. What is happening in Palestine today is not something disconnected. Not with the thousands of children dead and the bloody land grab taking place.

In conclusion, we ask Allah to send peace and blessings upon his messenger, Muhammad, and the messenger's family, wives, and descendents.

Signed,
Allah's Slave
Imam Jamil Abdullah Al-Amin
